**V. WIOA Future Funding**

As the Committee is aware, the administration proposes its budget, however the power of the purse lies with Congress. The WIOA appropriations were passed in March of 2025 and the program is technically funded through September 30, 2026. There is replacement legislation, A Stronger Workforce for America (ASWA) which is pending but stalled in Congress. The administration is suggesting the consolidation of 9 different workforce programs that would include WIOA into MASA – Make America Skilled Again. The Senate has rejected MASA and wants to maintained current funding levels. The House appears to be supporting proposed cuts.

The Committee is requested to consider how to best educate our delegation regarding the positive impact of workforce programs in the community and recommend strategies to address possible funding reductions to WIOA or consolidation of workforce funding streams including the impact on Region 26.
