
DEO Communiqué

DATE: May 27, 2022

TO: Local Workforce Development Boards

FROM: Keantha B. Moore, Interim Chief, Bureau of One-Stop and Program Support

SUBJECT: 2022 Adjusted Lower Living Standard Income Level Wage Rates

PURPOSE

The Florida Department of Economic Opportunity publishes the Adjusted Lower Living Standard Income Level (LLSIL) Wage Rates each year upon converting the LLSIL to an hourly wage. The hourly wage rates are used as baseline data in state-generated performance reports such as the monthly management report and may be used by local workforce development boards for other purposes such as the locally required definition for employment that leads to self-sufficiency.

The following tables reflect the adjusted wage rates. The wage rates are adjusted for each local workforce development area based on the Florida Price Level Index (FPLI).

Please forward questions related to this communication to the WIOA program team at WIOA@DEO.MyFlorida.com.

ACTION REQUIRED

Share this information with staff and other interested parties responsible for determining eligibility for programs that use income as a criterion.
