1. Welcome

- Welcome remarks

2. Review of Last Meetings Minutes, Open Items, and Current Meeting Agenda

- The current meeting will focus on the remainder of the agenda we did not cover or discuss at the last meeting, September 24, 2025.
- Shawn was looking to get information to quantify results on changes that were being made:
 - CareerSource's data on the new offices and traffic – not yet available, new offices are not yet open.
 - Metrix learning enrollment for Soft Skills: 9% increase over same period, YOY.

3. Education & Career Pathways

- What apprenticeship and pre-apprenticeship programs should be developed or strengthened.
- How can apprenticeships better serve both employers and job seekers in our region?

4. Industry Needs & Emerging Trends

- Where are the most pressing workforce gaps and high-demand occupations?
- What role should our Board play in preparing for Artificial Intelligence?
- What curriculum or training would best support AI integration into education and industry?

5. Skills Focus

- Where are we currently falling short on skills?
- Which soft skills are the most in demand, and how can we better address them?

6. Workforce Data & Programs

- Current Educational attainment by county, top 5 industries, and median industry pay per county.
- Local Targeted Occupations List (submitted 8/1/25)

7. Open Discussion & Next Steps

- Member ideas, comments, and input.
- Public comment.
