1. Consideration of State WIOA 90–100% On the Job Training (OJT) Reimbursement Waiver Memo

To review and consider adoption of the State of Florida’s waiver allowing 90–100% reimbursement to employers for On-the-Job Training (OJT) under WIOA. The waiver increases employer reimbursement above the standard 50–75%. Pros and Cons are presented for Board Consideration, however at this time our analysis of our performance indicated we need to increase enrollments and implementing the waiver would reduce funds to provide additional training.

2. Employer Outreach Strategy and Chamber of Commerce Engagement Model

For several years, CSNCFL has contracted with the Greater Gainesville Chamber of Commerce (GGCC) and the North Florida Regional Chamber of Commerce (NFRCC) to support employer outreach within their respective counties. With the expansion of the CSNCFL local workforce area to six counties, the current intermediary model no longer provides the regionwide coverage required to effectively engage employers. A more cost-effective and scalable approach is to secure memberships in the primary Chambers of Commerce across all six counties, enabling CSNCFL staff to attend events, participate in business activities, and directly engage employers throughout the region.
