1. **Consideration of Approval of the Quality Labor Management (QLM) Contract Amendment**

Consideration of approval of Amendment No. 2 to the contract with QLM, our staffing company for temporary workers and Summer Youth Program participants. This amendment is retroactive from July 1, 2026, through December 31, 2026, aligning it with the State of Florida's recently finalized State Term Contract, which allows the board to avoid a redundant procurement process. Under Florida's implied-in-fact contract doctrine, because QLM has continuously provided services and invoices have been paid without interruption, an ongoing contractual obligation was already established. This amendment formally memorializes and ratifies that performance in writing, ensuring complete operational and payroll continuity for our workforce programs.
