

Policies and Procedures

SECTION: Administration	POLICY # ADM 10	PAGE 1 of 5
TITLE: ADM 10 CSNCFL Staff Travel	EFFECTIVE DATE: 05.01.2025	
SUPERCEDES: Same dated 11.06.24		

DISTRIBUTION: CareerSource North Central Florida (CSNCFL) Staff and Service Providers

PURPOSE

To describe the concepts and procedures to be followed in controlling expenses, processing travel, and business meeting expense items.

POLICY

It is the policy of CSNCFL that costs associated with attendance at meetings, workshops and conferences (meals, transportation and lodging) are allowable if such are determined necessary and reasonable and the meeting, workshop, or conference serves a purpose consistent with Workforce funding. It is CSNCFL's responsibility to ensure that program expenditures meet this requirement and adequate documentation is maintained. Finance staff will review meeting workshop, and/or conference costs to ensure compliance with this policy. All expenses that fail to comply with this policy will be questioned and subject to disallowance and repayment.

The following expenses are NOT allowed:

1. Room meal service charges and restaurant charges in excess of approved CSNCFL's meal rates.
2. Alcoholic beverages.
3. All other such entertainment costs. (All costs including restaurant/hotel meal or food service charges) for functions whose purpose is social rather than business (such as networking receptions, ancillary tours, outings, etc.) are considered entertainment costs.

4. Travel, rooms, per diem, and any other costs for persons other than CSNCFL staff.

In order for CSNCFL to pay per diem, restaurant/hotel meals or food service charges, mileage or other costs for CareerSource North Central Florida- sponsored conferences, the following conditions must be met:

1. Advance approval of attending meetings, workshops or conferences must be obtained from the Chief Executive Officer.
2. Any person entitled to reimbursement under CSNCFL travel policies for a meal that has been paid for, as part of a restaurant/hotel meal or food service charge must deduct reimbursement for that meal on their Travel Reimbursement Form.

LOCAL TRAVEL

For local travel not involving overnight stays, including business meetings attendance, departures will be logged on the Class C Mileage form at the time each trip is taken. Each Class C Mileage Report covers a one-month period and should be turned in to Finance for reimbursement **within the first week of the next month, after the end of each month**. The traveler must complete the information on the Travel Form link and when the completed form is sent from Finance, the staff traveler must sign and date, and then give it to their Supervisor for review and certification of the report's accuracy **BEFORE** submitting to Finance for reimbursement.

NOTE: Mileage claimed must be from point of origin to destination based on the official [DOT](#) highway map and based on actual mileage for local vicinity mileage. If the actual mileage traveled is less than the DOT highway map, the lesser amount of mileage must be claimed.

-Each staff will be assigned a primary location from one of the career centers which will be known as their assigned headquarters. If the traveler leaves from and/or returns to their assigned headquarters, the reimbursable mileage is actual miles traveled. If the traveler leaves from and/or returns to locations other than their assigned headquarters, the reimbursable mileage shall be computed on a daily basis by summing all miles driven and subtracting commuting miles, which are not reimbursable. Commuting miles are miles from the traveler's home to the assigned headquarters.

1. A Travel Authorization Form must be completed for staff on a yearly basis, approved and signed by the Chief Executive Officer. A copy should be maintained in the Finance Department and Staff Personnel File.
2. Travel time is only allowable for hourly staff and can not be used in conjunction with travel reimbursement.

OVERNIGHT TRAVEL

The procedures established by CareerSource North Central Florida for overnight travel

provide that requests for travel must be approved in advance by the Chief Executive Officer.

1. A Travel Authorization Form must be completed and approved prior to the beginning date of travel.
2. After the trip has been completed, the traveler submits a Travel Reimbursement Form. This is done via completing the information on the link: [Travel Form](#)
 - After completing the information, Finance will fill in the information on the Travel Reimbursement form.
 - Finance will send the completed form to the CSNCFL staff traveler via email for signature.
 - The CSNCFL staff traveler must then send to their supervisor for review, approval and signature.
 - The CSNCFL staff traveler is responsible for returning a completed and fully signed form to Finance for processing.

All travel advances are recorded as receivables of CSNCFL until the travel has been completed by the employee and a Travel Reimbursement Form is submitted. Upon submission of a Travel Reimbursement Form, the correct project is charged and any difference between an advance and the actual expense is settled by either the traveler or CSNCFL.

FORMS PROCEDURES/ROUTING

112.061 Per diem and travel expenses of public officers, employees, and authorized persons; statewide travel management system.—

(1) **LEGISLATIVE INTENT.**—To prevent inequities, conflicts, inconsistencies, and lapses in the numerous laws regulating or attempting to regulate travel expenses of public officers, employees, and authorized persons in the state, it is the intent of the Legislature:

(a) To establish standard travel reimbursement rates, procedures, and limitations, with certain justifiable exceptions and exemptions, applicable to all public officers, employees, and authorized persons whose travel is authorized and paid by a public agency.

(b) To preserve the standardization established by this law:

1. The provisions of this section shall prevail over any conflicting provisions in a general law, present or future, to the extent of the conflict; but if any such general law contains a specific exemption from this section, including a specific reference to this section, such general law shall prevail, but only to the extent of the exemption.

2. The provisions of any special or local law, present or future, shall prevail over any conflicting provisions in this section, but only to the extent of the conflict.

(2) **DEFINITIONS.**—For the purposes of this section, the following words shall have the meanings indicated:

(a) **Agency or public agency**—Any office, department, agency, division, subdivision, political subdivision, board, bureau, commission, authority, district, public body, body politic, county, city, town, village, municipality, or any other separate unit of government created pursuant to law.

(b) **Agency head or head of the agency**—The highest policymaking authority of a public agency, as herein defined.

(c) **Officer or public officer**—An individual who in the performance of his or her official duties is vested by law with sovereign powers of government and who is either elected by the people, or commissioned by the Governor and has jurisdiction extending throughout the state, or any person lawfully serving instead of either of the foregoing two classes of individuals as initial designee or successor.

(d) **Employee or public employee**—An individual, whether commissioned or not, other than an officer or authorized person as defined herein, who is filling a regular or full-time authorized position and is responsible to an agency head.

(e) **Authorized person**—

1. A person other than a public officer or employee as defined herein, whether elected or commissioned or not, who is authorized by an agency head to incur travel expenses in the performance of official duties.

2. A person who is called upon by an agency to contribute time and services as consultant or adviser.

3. A person who is a candidate for an executive or professional position.

(f) **Traveler**—A public officer, public employee, or authorized person, when performing authorized travel.

(g) **Travel expense, traveling expenses, necessary expenses while traveling, actual expenses while traveling, or words of similar nature**—The usual ordinary and incidental expenditures necessarily incurred by a traveler.

(h) Common carrier—Train, bus, commercial airline operating scheduled flights, or rental cars of an established rental car firm.

(i) Travel day—A period of 24 hours consisting of four quarters of 6 hours each.

(j) Travel period—A period of time between the time of departure and time of return.

(k) Class A travel—Continuous travel of 24 hours or more away from official headquarters.

(l) Class B travel—Continuous travel of less than 24 hours which involves overnight absence from official headquarters.

(m) Class C travel—Travel for short or day trips where the traveler is not away from his or her official headquarters overnight.

(n) Foreign travel—Travel outside the United States.

(3) AUTHORITY TO INCUR TRAVEL EXPENSES.—

(a) All travel must be authorized and approved by the head of the agency, or his or her designated representative, from whose funds the traveler is paid. The head of the agency shall not authorize or approve such a request unless it is accompanied by a signed statement by the traveler's supervisor stating that such travel is on the official business of the state and also stating the purpose of such travel.

(b) Travel expenses of travelers shall be limited to those expenses necessarily incurred by them in the performance of a public purpose authorized by law to be performed by the agency and must be within the limitations prescribed by this section.

(c) Travel by public officers or employees serving temporarily in behalf of another agency or partly in behalf of more than one agency at the same time, or authorized persons who are called upon to contribute time and services as consultants or advisers, may be authorized by the agency head. Complete explanation and justification must be shown on the travel expense voucher or attached thereto.

(d) Travel expenses of public employees for the sole purpose of taking merit system or other job placement examinations, written or oral, shall not be allowed under any circumstances, except that upon prior written approval of the agency head or his or her designee, candidates for executive or professional positions may be allowed travel expenses pursuant to this section.

(e) Travel expenses of public officers or employees for the purpose of implementing, organizing, directing, coordinating, or administering, or supporting the implementation, organization, direction, coordination, or administration of, activities related to or involving travel to a terrorist state shall not be allowed under any circumstances. For purposes of this section, "terrorist state" is defined as any state, country, or nation designated by the United States Department of State as a state sponsor of terrorism.

(f) The agency head, or a designated representative, may pay by advancement or reimbursement, or a combination thereof, the costs of per diem of travelers for foreign travel at the current rates as specified in the federal publication "Standardized Regulations (Government Civilians, Foreign Areas)" and incidental expenses as provided in this section.

(g) A traveler who becomes sick or injured while away from his or her official headquarters and is therefore unable to perform the official business of the agency may continue to receive subsistence as provided in subsection (6) during this period of illness or injury until such time as he or she is able to perform the official

business of the agency or returns to his or her official headquarters, whichever is earlier. Such subsistence may be paid when approved by the agency head or his or her designee.

(h) The State Surgeon General or a designee may authorize travel expenses incidental to the rendering of medical services for and on behalf of clients of the Department of Health. The Department of Health may establish rates lower than the rate provided in this section for these travel expenses.

(4) OFFICIAL HEADQUARTERS.—The official headquarters of an officer or employee assigned to an office shall be the city or town in which the office is located except that:

(a) The official headquarters of a person located in the field shall be the city or town nearest to the area where the majority of the person's work is performed, or such other city, town, or area as may be designated by the agency head provided that in all cases such designation must be in the best interests of the agency and not for the convenience of the person.

(b) When any state employee is stationed in any city or town for a period of over 30 continuous workdays, such city or town shall be deemed to be the employee's official headquarters, and he or she shall not be allowed per diem or subsistence, as provided in this section, after the said period of 30 continuous workdays has elapsed, unless this period of time is extended by the express approval of the agency head or his or her designee.

(c) A traveler may leave his or her assigned post to return home overnight, over a weekend, or during a holiday, but any time lost from regular duties shall be taken as annual leave and authorized in the usual manner. The traveler shall not be reimbursed for travel expenses in excess of the established rate for per diem allowable had he or she remained at his or her assigned post. However, when a traveler has been temporarily assigned away from his or her official headquarters for an approved period extending beyond 30 days, he or she shall be entitled to reimbursement for travel expenses at the established rate of one round trip for each 30-day period actually taken to his or her home in addition to pay and allowances otherwise provided.

¹(d) A Lieutenant Governor who permanently resides outside of Leon County, may, if he or she so requests, have an appropriate facility in his or her county designated as his or her official headquarters for purposes of this section. This official headquarters may only serve as the Lieutenant Governor's personal office. The Lieutenant Governor may not use state funds to lease space in any facility for his or her official headquarters.

1. A Lieutenant Governor for whom an official headquarters is established in his or her county of residence pursuant to this paragraph is eligible for subsistence at a rate to be established by the Governor for each day or partial day that the Lieutenant Governor is at the State Capitol to conduct official state business. In addition to the subsistence allowance, a Lieutenant Governor is eligible for reimbursement for transportation expenses as provided in subsection (7) for travel between the Lieutenant Governor's official headquarters and the State Capitol to conduct state business.

2. Payment of subsistence and reimbursement for transportation between a Lieutenant Governor's official headquarters and the State Capitol shall be made to the extent appropriated funds are available, as determined by the Governor.

3. This paragraph expires July 1, 2022.

(5) COMPUTATION OF TRAVEL TIME FOR REIMBURSEMENT.—For purposes of reimbursement and methods of calculating fractional days of travel, the following principles are prescribed:

(a) The travel day for Class A travel shall be a calendar day (midnight to midnight). The travel day for Class B travel shall begin at the same time as the travel period. For Class A and Class B travel, the traveler shall be reimbursed one-fourth of the authorized rate of per diem for each quarter, or fraction thereof, of the travel day included within the travel period. Class A and Class B travel shall include any assignment on official business outside of regular office hours and away from regular places of employment when it is considered reasonable and necessary to stay overnight and for which travel expenses are approved.

(b) A traveler shall not be reimbursed on a per diem basis for Class C travel, but shall receive subsistence as provided in this section, which allowance for meals shall be based on the following schedule:

1. Breakfast—When travel begins before 6 a.m. and extends beyond 8 a.m.
2. Lunch—When travel begins before 12 noon and extends beyond 2 p.m.
3. Dinner—When travel begins before 6 p.m. and extends beyond 8 p.m., or when travel occurs during nighttime hours due to special assignment.

No allowance shall be made for meals when travel is confined to the city or town of the official headquarters or immediate vicinity; except assignments of official business outside the traveler's regular place of employment if travel expenses are approved. The Chief Financial Officer shall establish a schedule for processing Class C travel subsistence payments at least on a monthly basis.

(6) RATES OF PER DIEM AND SUBSISTENCE ALLOWANCE.—For purposes of reimbursement rates and methods of calculation, per diem and subsistence allowances are provided as follows:

(a) All travelers shall be allowed for subsistence when traveling to a convention or conference or when traveling within or outside the state in order to conduct bona fide state business, which convention, conference, or business serves a direct and lawful public purpose with relation to the public agency served by the person attending such meeting or conducting such business, either of the following for each day of such travel at the option of the traveler:

1. Eighty dollars per diem; or
2. If actual expenses exceed \$80, the amounts permitted in paragraph (b) for subsistence, plus actual expenses for lodging at a single-occupancy rate to be substantiated by paid bills therefor.

When lodging or meals are provided at a state institution, the traveler shall be reimbursed only for the actual expenses of such lodging or meals, not to exceed the maximum provided for in this subsection.

(b) All travelers shall be allowed the following amounts for subsistence while on Class C travel on official business as provided in paragraph (5)(b):

1. Breakfast. \$6
2. Lunch. \$11
3. Dinner. \$19

(c) No one, whether traveling out of state or in state, shall be reimbursed for any meal or lodging included in a convention or conference registration fee paid by the state.

(7) TRANSPORTATION.—

(a) All travel must be by a usually traveled route. In case a person travels by an indirect route for his or her own convenience, any extra costs shall be borne by the traveler; and reimbursement for expenses shall be based only on such charges as would have been incurred by a usually traveled route. The agency head or his or her designee shall designate the most economical method of travel for each trip, keeping in mind the following conditions:

1. The nature of the business.
2. The most efficient and economical means of travel (considering time of the traveler, impact on the productivity of the traveler, cost of transportation, and per diem or subsistence required). When it is more efficient and economical to either the traveler or the agency head, jet service offered by any airline, whether on state contract or not, may be used when the cost is within an approved threshold determined by the agency head or his or her designee.
3. The number of persons making the trip and the amount of equipment or material to be transported.

(b) The Department of Financial Services may provide any form it deems necessary to cover travel requests for traveling on official business and when paid by the state.

(c) Transportation by common carrier when traveling on official business and paid for personally by the traveler, shall be substantiated by a receipt therefor. Federal tax shall not be reimbursable to the traveler unless the state and other public agencies are also required by federal law to pay such tax. In the event transportation other than the most economical class as approved by the agency head is provided by a common carrier on a flight check or credit card, the charges in excess of the most economical class shall be refunded by the traveler to the agency charged with the transportation provided in this manner.

(d)1. The use of privately owned vehicles for official travel in lieu of publicly owned vehicles or common carriers may be authorized by the agency head or his or her designee. Whenever travel is by privately owned vehicle:

- a. A traveler shall be entitled to a mileage allowance at a rate of 44.5 cents per mile; or
 - b. A traveler shall be entitled to the common carrier fare for such travel if determined by the agency head to be more economical.
2. Reimbursement for expenditures related to the operation, maintenance, and ownership of a vehicle shall not be allowed when privately owned vehicles are used on public business and reimbursement is made pursuant to this paragraph, except as provided in subsection (8).
 3. All mileage shall be shown from point of origin to point of destination and, when possible, shall be computed on the basis of the current map of the Department of Transportation. Vicinity mileage necessary for the conduct of official business is allowable but must be shown as a separate item on the expense voucher.

(e) Transportation by chartered vehicles when traveling on official business may be authorized by the agency head when necessary or where it is to the advantage of the agency, provided the cost of such transportation does not exceed the cost of transportation by privately owned vehicle pursuant to paragraph (d).

(f) The agency head or his or her designee may grant monthly allowances in fixed amounts for use of privately owned automobiles on official business in lieu of the mileage rate provided in paragraph (d). Allowances granted pursuant to this paragraph shall be reasonable, taking into account the customary use of the

automobile, the roads customarily traveled, and whether any of the expenses incident to the operation, maintenance, and ownership of the automobile are paid from funds of the agency or other public funds. Such allowance may be changed at any time, and shall be made on the basis of a signed statement of the traveler, filed before the allowance is granted or changed, and at least annually thereafter. The statement shall show the places and distances for an average typical month's travel on official business, and the amount that would be allowed under the approved rate per mile for the travel shown in the statement, if payment had been made pursuant to paragraph (d).

(g) No contract may be entered into between a public officer or employee, or any other person, and a public agency, in which a depreciation allowance is used in computing the amount due by the agency to the individual for the use of a privately owned vehicle on official business; provided, any such existing contract shall not be impaired.

(h) No traveler shall be allowed either mileage or transportation expense when gratuitously transported by another person or when transported by another traveler who is entitled to mileage or transportation expense. However, a traveler on a private aircraft shall be reimbursed the actual amount charged and paid for the fare for such transportation up to the cost of a commercial airline ticket for the same flight, even though the owner or pilot of such aircraft is also entitled to transportation expense for the same flight under this subsection.
