Both estimates are revised on a monthly basis. In addition, these estimates are benchmarked (revised) annually based on actual counts from Florida's Reemployment Assistance tax records and other data.

Procedures mandated by the U.S. Bureau of Labor Statistics may result in more variable month-to-month changes. For further information, go to: <https://www.bls.gov/sae/>

The mission of the Florida Department of Commerce is to promote economic prosperity for all Floridians and businesses through successful workforce, community, and economic development strategies. Please visit www.floridajobs.org for more information.
